

At a meeting of the Church of England High School Old Girls' Association, held at St. Margarets on Saturday, March 6th, St. Catharine's was represented by Joan Elliott, Edith Green and Winifred Stevens.

Mrs. W. S. Ferrier (Phyllis Olive), is living in one of the oldest brick houses in Australia, built by one of the first settlers, with apple and pear trees around it as high as two-storied houses. We are sure some of the younger generation of St. Catharine's girls will envy her the latter. She has a baby girl of 18 months old named Joyce.
