

this year. At Easter we lost Miss Bryce, who is now Mrs. Nagel, and resides in Stanthorpe.

On Ascension Day the points were very close. We won second and third places in the Novelty Race, so beating Keats by half a point only in the total points. On the Annual Sports Day we obtained the least number of points, so had to fall back to third place. We congratulate Mavis Ashby, the runner-up for the Junior Championship this year.

At mid-winter we lost our Captain, Frances Dewar. We presented her with a silver serviette ring. Alice Batt succeeded her as Captain.

After holding the Ladewig Drill Cup for two years we were very sorry to part with it this year. (Our notes record many losses this year! Perhaps next year we may have some gains).

We held our entertainment in aid of Missions in September and raised £1/7/6.

We congratulate Marjorie MacDermott, Gwen Harris and Kathleen Batt on passing the Junior Public Examination.

We have four members sitting for Scholarship this year. We wish them "Good Luck."

ALICE BATT, Captain.

KEATS HOUSE NOTES.

Five new members have been added to our ranks during the year, and all have entered enthusiastically into the interests of the House.

Miss Marston's departure for N.S.W. at Mid-winter came as a blow to all, for she had always been a keen worker for the House. Her place was taken by Miss Wilson.

Although several of our members indulged in measles before the Ascension Day Sports, we managed to gain second place, being only half a point behind Kingsley. At the Annual Sports, however, we were outclassed by Kipling, who won the Shield, and to whom we offer our hearty congratulations.

It is good to know that our long-empty shelf, will, for the next twelve months at least, be occupied by the Drill Cup.

The Netball trophy has been keenly contested, especially by Kipling and Keats. It goes to Kipling, and we congratulate them; they had hard work to get it. The Tennis matches are not yet complete.

Our entertainment on October 28th proved very success-
