Why is S. Catharine's a Republic?

Because we have lost our KING.

Why is the building not very large?

Because it has only one STOREY.

OUR ASSEMBLY LINE.

Like an X.O.S. in reptiles

It winds in and round and out.

The continual mumble rumble

Pays no heed unto the shout

“SILENCE!”

“I don't want to stand near so-and-so,”

“Do stop pushing me about,”

“May I put this in the schoolroom?”

And still the muffled shout—

“SILENCE!”

The silence bell its warning rings,

But whispers still creep out.

A figure to the doorway comes,

The winding line now straightens out, and—

“SILENCE!”

—DORIS PIERPOINT.
