

RETROSPECT, 1933.

At the beginning of the year Miss Will joined the STAFF and at Midwinter Miss Wilson also came to give temporary help to the Lower School. The latter took Miss Marston's place since she left us in June to go to Cunnamulla—beware of the lure of the West! Miss Will and Miss Wilson are both Old Girls, and so were especially welcome.

We have good reason to be grateful to the energetic friends who help us to meet that ever-present bogey of debt. A FETE was held in May, and we were fortunate enough to have Bishop Dixon here to open it. The Stalls looked very pretty and did good business. Knowing how much work each stall entails, we do appreciate very much the efforts of those who helped in any way. PUBLIC SPORTS were held on the King's Birthday. Here again we thank both the men who organised them and the ladies who catered.

A measles germ travelled up from Brisbane after Easter and we had a succession of cases during the first Quarter. At Midwinter, however, the unwanted boarder left the School.

The ASCENSION DAY SPORTS had to be postponed because of sickness, but they eventually did happen and were very exciting: only two points between the first and last House! In the OCTOBER SPORTS the issue was definitely decided in favour of Kipling House. Several gentlemen come very faithfully each year to act as judges for the various events: the Sports Club is always grateful for their help.

Four PREFECTS returned, so no new appointment was made, but Alice Batt and Flo. Bellamy were given their Pro-prefects' pins.

Six girls were CONFIRMED by Bishop Dixon in the Parish Church on November 19th.

We have been glad to have Mrs. Ashby and Mrs. Hallam as GUESTS, and were grateful to Miss Redman and Miss Clarke, who came from S. Margaret's at Michaelmas to judge the Drill for the Interhouse Cup.

The CANTATA, "Poppyland," is to be rendered in the Parish Hall on 8th December.
