TENNIS NOTES.

For sometime after Midwinter several Old Girls came to the School to give us practice in tennis. We looked forward to these games very much, and are grateful for the help they gave us. We played one match against the Old Girls on the Stanthorpe Club Courts. We were badly beaten, but it was excellent practice and we thoroughly enjoyed the day.

Kipling - House has secured the Tennis Shield. We congratulate the winners of the various trophies:—

DOUBLES CHAMPIONSHIP—Nance Conquest and Joyce Ollerenshaw.

SENIOR CHAMPIONSHIP—Nance Conquest.

JUNIOR CHAMPIONSHIP—Mavis Ashby.

HANDICAP—*June Gerry*.

NANCE CONQUEST, Captain.

Criticism of Tennis Team.

DORIS PIERPOINT.—Sometimes out of position. Play steady, but all strokes should have more force in them. Moves more quickly, and play altogether much improved.

IRENE JARRETT.—Slow on feet, and backhand very weak. Lacks force in drives. Shows an interest in the game.

JOYCE OLLERENSHAW.—Play erratic, and drives wildly at times. Style very good, and when on game, play brilliant.

NANCE CONQUEST.—Footwork needs watching, otherwise plays very good and steady game; balls well placed. Has captained team well.

—E. GERRY.

NETBALL NOTES.

For several years now our report has contained a very jubilant account of our superiority on the Netball field, but this year our tone is different. At the King's Birthday Sports we were outclassed by Applethorpe, to whom we offer our congratulations.

Owing to lack of time we were unable to compete in the School fixtures, but the House matches have proved very exciting. The final match was contested by Kipling and Keats, and after an interesting match Kipling won.

Most of the team girls are leaving, but the enthusiasm of the younger girls is a hopeful sign.

DORIS PIERPOINT, Captain.
