

Criticism of Team.

NANCE CONQUEST (attack wing).—Keeps in position. Quick on feet, and combines well with other players.

IRENE JARRETT (goaler).—Goaling very good indeed. Quick, and combines well with attack wing.

MARJORIE COCK (goaler's help).—Very slow to move. Goaling erratic. Does not jump sufficiently. Shows interest in game.

FLO. BELLAMY (defender).—Sometimes loses opponent, and throws wildly; otherwise plays good defence game. Jumps well.

JOYCE OLERENSHAW (help defence).—Could take game more seriously; throws wildly. Play has improved very much on the whole.

HARRIET WILL (centre).—Sometimes slow to take ball in centre. Throws wildly. Catches well. Defence game good.

DORIS PIERPOINT (defence wing).—Has carried out duties as Captain well. Slow to move. Plays good defence game and shows much improvement.

—E. GERRY.

ATHLETIC NOTES.

The Ascension Day Sports were postponed because of the epidemic of measles, but when we did hold them on June 17th there were, unfortunately, members of each House still on the sick list. Kingsley led with 72 points, Keats being half a point behind, and Kipling one and a-half points behind.

All looked forward eagerly to the Annual Sports, which were very closely contested. The Shield was won by Kipling (148½ points), with Keats (141½ points) second, and Kingsley (137 points) third.

Congratulations to Nance Conquest and Joyce Dunshea, winners of the Senior and Junior Championships, also to Mavis Ashby, who is runner-up for the Junior Championship.

In concluding, we must take the opportunity of thanking Miss Gerry for her untiring efforts to help us in every branch of Sport.

DORIS PIERPOINT, Secretary.
