

At the beginning of the year we welcomed Novice Kathleen as House Mistress, and four new girls. Marjorie Pierpoint was elected House Captain and Mary Scott Sports Captain, and Sheila Sinnott Mission Secretary.

We came third in the Sports with 84 marks, 49 of which were gained on Ascension Day.

Our Tennis and Netball teams are not the strongest, and it seems likely that the Drill Cup will again stand alone on the shelf.

We held our Annual Entertainment on the 22nd September, in the form of a Book Evening, and the proceeds were £1/4/.

All through the year the girls have always been ready to help with the grounds and courts, and they are now studying to gain points in the coming Christmas Examinations.

KIPLING HOUSE NOTES.

At the end of last year we lost Miss Gilling and a number of our Senior Girls, among whom were our two Prefects, Dorothy Story and Nance Conquest, our enthusiastic House and Sports Captain. Her sister, Florence Conquest, succeeded her as House Captain, and Irene Tulloch has been a very keen Sports Captain. Betty Dawkes succeeded Joyce Ollerenshaw as Mission Secretary. We congratulate Dorothy Story on her excellent Senior pass.

At our Annual Mission Entertainment we attempted another little play, "The Weather Clerk," with Betty Tulloch in the title role. Much of the success of the evening was due to Mr. Collins, who so very generously played for the dances.

Congratulations to Kingsley House on winning the Athletics Shield. We gained second place, and are very proud of Irene Tulloch who won the Senior Championship.

We are fighting hard to keep up our reputation on the Netball and Tennis courts. There are many new girls in our Netball and Tennis teams, but they are very keen and have been a **great help** to the House.

Congratulations to Keats, who won the Drill Cup. We came last! Our Juniors did well, but Kipling House, on the whole, does not shine at Drill.

Our gardens have been transferred to a long barren plot at the back of the School, which acts as a magnet to tennis balls. Someday we hope that our wilderness will bloom.

We wish the examination girls every success, and hope that all our members will have a jolly holiday and return with the resolve to do their best in work and sport.
