gathered from the kitchen, and balls blown up to their full.

The whole afternoon the three Houses strove to win. Kiplings were the conquerors of the day but, with Ascension day results added Kingsleys were well to the fore with 164½ points, Kiplings second with 134, and Keats third with 85.

Congratulations, Irene, on winning the Senior Championship, Joan, on winning the Junior Championship.

TENNIS NOTES.

CHAMPIONSHIPS—at last they are nearly over. The semi-finals of the handicap have still to be played, but we are praying that Osiris—the Rain God—will not trouble us before they are finished.

All have been very interested in the Inter-House Tennis—Kipling won by 21 points from Kingsley. For the past ten years Kipling has held the Tennis Shield, which is a great honour to them. Now, Kingsley and Keats, be stirred. Next year see that the Inter-House matches will result in a close finish and another "name" be imprinted on the Honour Shield. The points for the Inter-House matches are:—

KIPLING	460
KINGSLEY	439
KEATS	322

CRITICISM—I think, girls, you have had so much of it during the year that there is very little left to say about it. After all the "Dont's" which you are still trying to remember, your style is still lacking but, with practice and patience, this can be achieved.

Florence and Mavis, the Tennis finals were very exciting, and Florence, congratulations on winning the Championship. Both of you play steadily, but your style could be improved.

Doubles were won by Florence Bellamy and Florence Conquest. Congratulations to you both.

NETBALL NOTES.

We have to thank "Punch," the School horse, for ploughing up our Netball Court. Now the court is quite level and we have been able to have many practices.

The Inter-House Netball is in full swing, and we are all very keen—for all Houses are about the same standard.

Unfortunately we were unable to compete in the District matches this year, but we hope in future to challenge the other schools.
