On September 14, some of the girls attended Slade School sports. At night a number of the girls went to the Liedertafel Concert.

The Inter-school Athletics were held on September 21. This year we were successful in regaining the cup. The points were: C.E.G.S. 80½, W.H.S. 67, P.G.C. 18½. Our chief representatives were: Seniors, N. Elphinstone, E. Redmond (Captain), W. Blackmore; juniors, D. Thompson, F. Matthews. We heartily congratulate the whole team, and particularly W. Blackmore and D. Thompson. Athletics pockets have been awarded to N. Elphinstone, W. Blackmore, and E. Redmond.

On the following day the boys' athletics were attended by many of the girls.

On September 22 two debates were held. The subject of one was "A sense of Beauty gives more pleasure to life than a sense of humour" while that of the second was "Are picture shows an evil to civilisation?"

On October 19 a Eurythmic and Tableau display was held. This was a success, and the proceeds, £18/12/6, have been forwarded to the Cancer Campaign Fund.

On Wednesday, October 24, Bishop Le Fanu and Sir Littleton Groom both visited the school. Bishop Le Fanu spoke to us about his recent trip to England, while Sir Littleton Groom spoke of "Service for Others."

On November 7, the honour board which Mr. A. C. Elphinstone, M.L.A., has given to the school, was unveiled by Canon Robin, who spoke in a most interesting manner and made the ceremony very impressive. There were a number of visitors present.

On November 9 Rev. R. Massey gave us an interesting address on "Obedience to Law."

On November 11 we enjoyed an address given by Mr. Harrison, who is in charge of a large district in Japan. Afterwards some of the older girls appreciated an opportunity of discussing with Mr. Harrison, conditions in Japan and other questions of interest about life in that country.

The Tennis Team have met with success this year. They were successful in winning both the Lalaguli Cup for tennis in Warwick, and the Margaret Brown Cup for the Downs Championship. N. Elphinstone, M. Lamb, M. Thompson, B. Medhurst played in the final matches, and deserve the congratulations of the school for their success. Each girl has been awarded an honours pocket for tennis. We congratulate our captain (N. Elphinstone) who won the Southern Downs Schoolgirls' Championship. Our A team was only defeated once in the Women's Association Tennis fixtures during the year.
