

"THE LOW-DOWN #3"

Don't get left behind in the dust!

RIGHT NOW IT'S PEDAL TO THE METAL, ENGINES REVVING FULL THROTTLE, as we enter the straight and make our way to the finish line.

- To date we've had a solid response with 100 people already confirmed and paid to attend the dinner.
- Our firm RSVP end date is February 2.

HOWEVER!!!

- If you have decided you would like to come, it would greatly assist us with our final arrangements if you are able to commit with confirmation and full payment **BEFORE** that February 2 cut-off date. Your early RSVP will help us flourish that checkered flag.
- With milestone reunions in the past, getting final details settled has been hampered by those who put off confirming until the last minute. We don't want YOU to be one of those who missed out because they left it too late to respond.
